"The love of liberty is the love of others; the love of power is the love of ourselves."

- William Hazlitt (1778-1830)

I want to be Commissioner of the General Land Office not to increase my personal stature or further my political career, but because I want to serve in that specific office. You deserve a Land Commissioner who wants the job, not the title.

I would be honored to have your support. To learn more about my campaign, please visit www.votepatterson.com or call me at (800) 692-4216. I look forward to hearing from you.
