"I am giving Senator Patterson my support because he has proven himself to be a man who can be trusted to stand for the values that Texans hold dear - even if he is alone in doing so. He will make a great land commissioner . . ."

Tim Lambert,
GOP Nat'l Committeeman

"Jerry is the type of individual we need in state wide office representing our party . . . We could do no better than Jerry Patterson as Land Commissioner."

Clyde Siebman
Grayson County GOP Chair

". . . State Senator Jerry Patterson of Pasadena, is an all-too-rare type of politician: an unpolished, fearless, what-you-see-is-what-you-get over-achiever . . ."

Texas Monthly
March 1998

"State Senator Jerry Patterson receives our endorsement on the basis of his record of achievement on land office issues while in the Senate and his greater dedication to the land commissioner's position for its own sake rather than as an interim steppingstone to higher office . . ."

Ft. Worth Star Telegram
February 1998

". . . A primary reason this newspaper supports Mr. Patterson is his reputation as a straight player."

Dallas Morning News
February 1998

". . . Patterson has shown he is a hard-working and dogged legislator. We believe he would be an equally determined, effective and fiscally conservative land commissioner."

Houston Chronicle
